Application for partial scholarship for education at the Las Cruces Academy for the academic year _____ . Both current and prospective students are eligible for consideration.

Please tell us here if you wish to be considered for a need-based scholarship. Our **need-based scholarship awards** are for students whose parents would face financial hardship in paying the tuition even while exercising fiscal prudence overall. In general, high income or a record of luxury expenditures is a disqualifier. At the time that you submit this application, we will require a **completed application for admission** (please see our admissions page) and **financial information**, which we will keep fully **confidential** among our board of trustees and our board of advisors. A copy of your most recent **federal income tax return** is one financial record we will need. You may add a **narrative explanation** if you wish.
